

FINANCE CONDITIONS

These finance conditions (**Finance Conditions**) shall govern and be incorporated into every finance contract (**Finance Contract**), which consists of these Finance Conditions and the key contract terms (**Key Contract Terms**). The Finance Contract will be entered into between investors (**Investors**) and a business (**Business**) over Beehive's website www.beehive.ae (**Site**). The Site contains terms and conditions for the Investors and the Business (**Terms and Conditions**).

References to **Beehive** means Beehive P2P Limited, a company incorporated in the Dubai International Financial Centre, under licence number CL2352.

These Finance Conditions shall prevail over any terms or conditions (whether or not inconsistent with these Finance Conditions) contained or referred to in any correspondence with, or documentation submitted by, any Investor or Business or implied by custom, practice or course of dealing.

Each Finance Contract forms a legally binding agreement between the Investor and Business (together, **Parties**, and each a **Party**) and the relationship between the Parties shall be governed exclusively by these Finance Conditions and each Finance Contract. By clicking to accept these Finance Conditions you acknowledge and agree to be bound by these Finance Conditions in respect all your transactions conducted on the Site.

If you are entering into a Finance Contract as an appointed representative of a partnership, company or other business you warrant that you are duly authorised to act on its behalf. Breach of this requirement may result in legal action being taken against you personally.

Before entering into a Finance Contract, a Business will have made a request for financing (**RFF**) posted on the Site requesting financing. Investors will have then made bids (each, a **Bid**) on the Site making offers of funds in part satisfaction of the RFF, including any such bid posted automatically on that Investor's behalf using the Site's 'Diversification-Plus' tool. Once the RFF is funded fully (by Bids made by the Investors) the Business will be invited to accept the offer (**Finance Offer**). Once the Finance Offer has been accepted by the Business it cannot be cancelled or amended by the Business and the Business will be required to enter into the Finance Contract with the Investors. The Finance Contract will consist of the individual financing transactions (**Finance Parts**) entered into between the Business and Investors in response to the RFF and the subsequent Bids placed by the relevant Investors. The Finance Contract will contain the Key Contract Terms that set out the total amount of principal and interest and the repayment terms.

1. Introduction

- 1.1. Each time a RFF is fulfilled by successful Bids and the Finance Offer is accepted by the Business, a Finance Contract shall immediately be created. Each Finance Contract shall include these Finance Conditions. In addition, the Business will be separately provided with Key Contract Terms which set out, among other things, the details of the finance secured, a repayment schedule and the names and passport numbers of the relevant individual Investors.
- 1.2. Where the Finance Contract is made up of various individual tranches of financing from different Investors (each, a **Finance Part**), a separate Finance Contract shall be formed for every Finance Part, between the Business and investor of that Finance Part.

2. Repayment

- 2.1. The Business' obligation to make repayments to the Investor will be secured by the Business providing signed cheques from a recognised bank for the Finance Contract to Beehive P2P Limited:
 - 2.1.1. For Term Finance and Project Finance this will be one undated cheque for the full amount of the Finance Contract secured, and either:
 - 2.1.1.1. separate cheques for each instalment of the Finance Contract which will be payable in accordance with the Key Contract Terms dated on the dates that each payment will fall due; or
 - 2.1.1.2. one undated signed cheque for one instalment and the set-up of a monthly electronic payment in accordance with the Key Contract Terms
 - 2.1.2. For Working Capital Financing this will be the one undated cheque already provided for the Credit Facility (as defined in the Terms and Conditions)
- 2.2. The Business hereby authorises Beehive to date any undated cheque(s) in its possession in the event that a Finance Contract goes into default as anticipated in the Terms and Conditions.
- 2.3. The Business hereby authorises Beehive to present those dated cheques on or after the dates specified on each cheque, firstly for deposit into the Beehive Services Client Account (as defined below), and thereafter for Beehive to repay the applicable amount owed by the Business to each Investor.

2.3.1. The **Beehive Client Account** is the bank account that Beehive maintains for the sole purpose of holding funds on behalf of each individual Business and Investor, and which contains uninvested funds which the Investor has credited to the Beehive Client Account and the funds which the Business is entitled to withdraw in accordance with any Finance Contract to which it is a party.

- 2.4. If, at any time during the term of a Finance Contract, the authorised signatory who signed the cheques provided by the Business, is no longer authorised to bind the Business for any reason whatsoever, the Business shall provide replacement cheques signed (and dated, where applicable) by a duly authorised signatory within three (3) working days of any such change to the authority becoming effective.
- 2.5. It is essential that the Business ensures that sufficient funds are available in the account from which these cheques will be drawn at the time they will be drawn. If there are insufficient funds at any time at which a cheque is presented, the Investors and Beehive may exercise the rights detailed below.
- 2.6. All repayments will be made to Investors without deduction of tax.
- 2.7. Where a Finance Contract is made up of various Finance Parts, each repayment paid by the Business will be pro-rated between the various Finance Contracts, with reference to each Finance Part value and the interest rate associated with that Finance Part, that govern the various Finance Parts and used:
 - 2.7.1. firstly to pay any administration charges or any and all other fees due to Beehive under the Terms and Conditions;
 - 2.7.2. secondly towards repaying any arrears on the Finance Contract; and
 - 2.7.3. lastly to paying the current interest and principal due in respect of the Finance Contract.

3. Interest

- 3.1. The Business agrees to pay the Investor interest on the Finance Contract at the interest rate set out in the Key Contract Terms. Interest on the Finance Contract shall be calculated at the outset of the Finance Contract for the whole period of the Finance Contract and shall be stated in the Key Contract Terms. Interest shall be paid in regular instalments as specified in the Key Contract Terms.

4. Early Repayment

- 4.1. should the Business wish to repay a Finance Contract early, it may do so, provided it repays the entire Finance Contract and not just some of the Finance Parts. The Business can repay the Finance Contract early by following the instructions in the “Dashboard” section of the Site and repaying the full amount the Business owes under its Finance Contract. On an early repayment of a Finance Contract, the amount will include interest that would have accrued to the end of the month in which the early repayment is made.

5. Covenants

- 5.1. The Business covenants with Beehive that, as from the date of the Finance Contract until all its liabilities under the Finance Contract have been discharged, the Business will deliver to Beehive:
