

MURABAHA CONDITIONS

These murabaha conditions (**Murabaha Conditions**) shall govern and be incorporated into every murabaha contract (**Murabaha Contract**), which consists of these Murabaha Conditions and the key contract terms (**Key Contract Terms**). The Murabaha Contract will be entered into between investors (**Investors**) and a business (**Business**) over Beehive's websites www.beehive.ae and www.beehiveplatform.com (**Site**). The Site contains terms and conditions for the Investors and the Business (**Terms and Conditions**).

References to **Beehive** means Beehive P2P Limited, a company incorporated in the Dubai International Financial Centre, under licence number CL2352.

These Murabaha Conditions shall prevail over any terms or conditions (whether or not inconsistent with these Murabaha Conditions) contained or referred to in any correspondence with, or documentation submitted by, any Investor or Business or implied by custom, practice or course of dealing.

Each Murabaha Contract forms a legally binding agreement between the Investor and Business (together, **Parties**, and each a **Party**) and the relationship between the Parties shall be governed exclusively by these Murabaha Conditions and each Murabaha Contract. By clicking to accept these Murabaha Conditions you acknowledge and agree to be bound by these Murabaha Conditions in respect all of your transactions conducted on the Site.

If you are entering into a Murabaha Contract as an appointed representative of a partnership, company or other business you warrant that you are duly authorised to act on its behalf. Breach of this requirement may result in legal action being taken against you personally.

Before entering into a Murabaha Contract, a Business will have made a request for financing (**RFF**) posted on the Site requesting financing by way of Murabaha. Investors will have then made bids (each, a **Bid**) on the Site making offers of funds in part satisfaction of the RFF, including any such bid posted automatically on that Investor's behalf using the Site's 'Diversification-Plus' tool. Once the RFF is funded fully (by Bids made by the Investors) the Business will have been invited to accept the offer (**Murabaha Offer**). Once the Murabaha Offer has been accepted by the Business it cannot be cancelled or amended by the Business and the Business will be required to enter into the Murabaha Contract with the Investors. The Murabaha Contract will be for the murabaha financing (**Murabaha Financing** being defined as the individual murabaha financing transaction entered into between the Business and Investors in response to the RFF and the subsequent Bids placed by the relevant Investors and the Murabaha Offer has been accepted by the Business constituting those **Murabaha Parts**). The Murabaha Contract will contain the Key Contract Terms that set out the total amount of principal and profit outstanding under the Murabaha Contract relating to that Murabaha Financing (**Murabaha Amount**).

1. Introduction

- 1.1. The Investor irrevocably appoints Beehive (**Investor Agent**) to enter into the purchase broker documents (**Purchase Broker Documents**) to purchase the Sharia compliant commodities from any supplier chosen by the Investor Agent at its discretion (Purchase Broker) (**Goods**) for the cost price on its behalf following the acceptance by the Business of a Murabaha Offer. The Investor Agent's fees and the costs for entering into the Purchase Broker Documents will be notified to the Investor.
- 1.2. The Business irrevocably appoints Beehive (**Business Agent**) to enter into the sale broker documents (**Sale Broker Documents**) in order to sell the Goods (following the consummation of a Murabaha Contract) on its behalf following the acceptance by the Business of a Murabaha Offer. The Business Agent's fees and the costs for entering into the Sale Broker Documents will be notified to the Business.
- 1.3. Each time a RFF is fulfilled by successful Bids and the Murabaha Offer is accepted by the Business, the Purchase Broker Documents will be entered into by the Investor Agent (acting on behalf of the Investor) and a Murabaha Contract shall immediately be created in respect of the resulting Murabaha Financing. Each Murabaha Contract shall include these Murabaha Conditions. In addition, the Business will be separately provided with Key Contract Terms which set out, among other things, the details of the Murabaha Financing secured, a repayment schedule and the names and passport numbers of the relevant individual Investors. For Working Capital Finance the Key Contract Terms will be presented to the Business on the Site and will set out, amongst other things, the details of the Murabaha Financing secured and a repayment schedule.
- 1.4. Immediately following the creation of a Murabaha Contract, the Sale Broker Documents will be entered into by the Business Agent (acting on behalf of the Business) whereby the Goods will be sold to a third party for the account of the Business.

- 1.5. Where a Murabaha Financing is made up of various individual tranches of financing from different Investors (each, a **Murabaha Part**), a separate Murabaha Contract shall be formed for every Murabaha Part, between the Business and the Investor which has provided financing that Murabaha Part to the Business.

2. Repayment

- 2.1. The Business' obligation to make repayments to the Investor will be secured by the Business providing signed cheques from a recognised bank for the Murabaha Financing secured to Beehive P2P Limited:
 - 2.1.1. For Term Finance and Project Finance this will be one undated cheque for the full amount of the Finance Contract secured, and either:
 - 2.1.1.1. separate cheques for each instalment of the Finance Contract which will be payable in accordance with the Key Contract Terms dated on the dates that each payment will fall due; or
 - 2.1.1.2. one undated signed cheque for one instalment and the set-up of a monthly electronic payment in accordance with the Key Contract Terms
 - 2.1.2. For MCA this will be one undated cheque for the full amount of the Finance Contract secured and agreement that the POS Provider can make the POS Deductions as set out in the Key Contract Terms until the Finance Contract is repaid in full
 - 2.1.3. For Working Capital Finance this will be the one undated cheque already provided for the Credit Facility (as defined in the Terms and Conditions)
- 2.2. The Business hereby authorises Beehive to date any undated cheque(s) in its possession in the event that a Murabaha Financing goes into default as anticipated in the Terms and Conditions.
- 2.3. The Business hereby authorises Beehive to present those dated cheques on or after the dates specified on each cheque, firstly for deposit into the Beehive Client Account (as defined below), and thereafter for Beehive to repay the applicable amount owed by the Business to each Investor.
 - 2.3.1. The **Beehive Client Account** is the bank account that Beehive maintains for the sole purpose of holding funds on behalf of each individual Business, Purchase Broker and Investor, and which contains the uninvested funds which the Investor has credited to the Beehive Client Account, the funds representing the price of the Goods payable to the Purchase Broker pursuant to the Purchase Broker Documents (between the time when the Goods are purchased by the Investor Agent on behalf of the Investor and the time when the Good are sold by the Business Agent on behalf of the Business) and the funds which the Business is entitled to withdraw in accordance with any Murabaha Contract to which it is a party.
- 2.4. If, at any time during the term of a Murabaha Contract, the authorised signatory who signed the cheques provided by the Business, is no longer authorised to bind the Business for any reason whatsoever, the Business shall provide replacement cheques signed (and dated, where applicable) by a duly authorised signatory within three (3) working days of any such change to the authority becoming effective.
- 2.5. It is essential that the Business ensures that sufficient funds are available in the account from which these cheques will be drawn at the time they will be drawn. If there are insufficient funds at any time at which a cheque is presented, the Investors and Beehive may exercise the rights detailed below.
- 2.6. All repayments will be made to Investors without deduction of tax.
- 2.7. Where a Murabaha Financing is made up of various Murabaha Parts, each repayment paid by the Business will be pro-rated between the various Murabaha Contracts, with reference to each Murabaha Part value and the profit rate associated with that Murabaha Part, that govern the various Murabaha Parts and used:
 - 2.7.1. firstly to pay any administration charges or any and all other fees due to Beehive under the Terms and Conditions;
 - 2.7.2. secondly towards repaying any arrears on the Murabaha Financing; and
 - 2.7.3. lastly to paying the current profit and principal due in respect of the Murabaha Amount.

3. Profit

- 3.1. The Business agrees to pay the Investor profit on the Murabaha Financing at the profit rate set out in the Key Contract Terms. Profit on the Murabaha Financing shall be calculated at the outset of the Murabaha Financing for the whole period of the Murabaha Financing and shall be stated in the Key Contract Terms. Profit shall be paid in regular instalments as specified in the Key Contract Terms.

4. Early Repayment

- 4.1. Should the Business wish to repay a Murabaha Financing early, it may do so, provided it repays the entire Murabaha Amount and not just some of the Murabaha Parts. The Business can repay the Murabaha Financing early by following the instructions in the "Dashboard" section of the Site and repaying the full Murabaha Amount the Business owes under its Murabaha Contract. On an early repayment of a Murabaha Financing, the Murabaha Amount will include profit that would have accrued to the end of the month in which the early repayment is made.
- 4.2. Upon early payment by the Business, Investors pre-approve Beehive to rebate the Business any outstanding profit relating to a Murabaha Contract. Beehive in turn, at its own discretion, can provide such rebates as long as they are not contractually agreed upon with the financed party.

5. Covenants

- 5.1. The Business covenants with Beehive that, as from the date of the Murabaha Contract until all its liabilities under the Murabaha Contract have been discharged, the Business will deliver to Beehive:
 - 5.1.1. within ninety (90) days after the end of each of its financial years, its audited accounts (if such audited accounts are applicable to the Business);
 - 5.1.2. promptly, all notices or other documents dispatched by the Business to its shareholders (if any) or to its creditors generally;

As a condition precedent of the Murabaha Contract, you and the Business must provide financial documentation periodically as informed by us and this must be delivered within thirty (30) days of the request for the duration of a Term Finance Murabaha Contract or live Working Capital Finance line in order for us to perform ongoing financial reviews. Failure to provide this information may result in a Default or us suspending your Working Capital Finance line.
- 5.2. The Business will:
 - 5.2.1. promptly, after becoming aware of them, notify Beehive of any litigation, arbitration or administrative proceedings or claims;
 - 5.2.2. promptly obtain all consents or authorisations necessary (and do all that is needed to maintain them in full force and effect) under any law or regulation to enable it to perform its obligations under the Murabaha Contract and to ensure the legality, validity, enforceability and admissibility in evidence of the Murabaha Financing in any relevant jurisdiction, including the United Arab Emirates;
 - 5.2.3. notify Beehive of any Event of Default (as defined below) promptly on becoming aware of its occurrence; and
 - 5.2.4. will carry on and conduct its business in a proper and efficient manner and will not make any substantial change to the general nature or scope of its business as carried on at the date of these Murabaha Conditions.
- 5.3. If Beehive is obliged for any reason to comply with "know your business" or similar identification procedures in circumstances where the necessary information is not already available to it, the Business (and each guarantor as applicable) will, promptly on the request of Beehive, supply (or procure the supply of) such documentation and other evidence as is reasonably requested in order for Beehive to be able to carry out, and be satisfied that it has complied with, all necessary "know your business" or other similar checks under all applicable laws and regulations.
- 5.4. The Business agrees that it will not:
 - 5.4.1. Borrow any monies or raise any financing from its directors, officers, members, partners, shareholders or any other third party that ranks in priority of recovery to the Murabaha Financing. In the event that the Business does enter into any financing arrangement, the rights to payment of that financing will be subordinated behind the Murabaha Financing, except to the extent otherwise required by the applicable insolvency law;
 - 5.4.2. enter into any amalgamation, demerger, merger or corporate reconstruction;

5.4.3. make any substantial change to the general nature of its business from that carried on at the date of the Murabaha Contract; or

5.4.4. If the Business has taken MCA finance, it will not change POS Provider until all of the Finance is repaid in full.

5.5. The Business warrants, represents and undertakes that it has not created and will not create any security interests or other rights in favour of any third party in respect of any of the Goods that exist or will or may come into being at any time between the creation of the Murabaha Contract in relation to those Goods and the completion of the sale of those Goods by Beehive (as Business Agent) pursuant to the Sale Broker Documents

6. Sharia Compliance

6.1. The Investor and the Business confirm to each other that they have agreed to accept these Murabaha Conditions and enter into Murabaha Contracts having reviewed these Murabaha Conditions and related documents for the purposes of compliance with Sharia principles and with, to the extent they have considered necessary, independent advice from advisors specialising in matters of Sharia and:

6.1.1. they have satisfied themselves that the provisions of these Murabaha Conditions and transactions contemplated hereby do not contravene Sharia principles; and

7. Events of Default

7.1. The Business agrees that Beehive may, on the Investors' behalf, terminate all Murabaha Contracts relating to a Murabaha Financing and demand immediate repayment of the full Murabaha Amount owed by the Business under each Murabaha Contract in respect of that Murabaha Financing if any of the following events or circumstances occur (each, an **Event of Default**):

7.1.1. the Business has provided incomplete, false or inaccurate information in a way which affects the decision to allow the Business to register as a business on the Site, list RFFs on the Site or the risk band that Beehive has given to the Business;

7.1.2. the Business has breached the terms of any Murabaha Contract, including non-payment of due instalments as they fall due, it is a party to and either notice has been given to the Business ending that Murabaha Contract or Beehive has reasonable grounds to believe that as a result:

7.1.2.1. the Business will also breach the terms of these Murabaha Conditions and any other Murabaha Contract; or

7.1.2.2. any other Event of Default will occur.

7.1.3. the Business' access to the Site is terminated for any reason under the Terms and Conditions;

- 7.1.10. the Business (or if any person who has provided a guarantee or promissory note for the Murabaha Financing or any Murabaha Part) dies, becomes of unsound mind, becomes bankrupt or makes a voluntary arrangement with anyone that they owe money to;
 - 7.1.11. where the Business is a partnership, the composition of the partnership materially, in the reasonable opinion of Beehive, changes following the date of any Murabaha Contract or any partner dies, becomes of unsound mind, becomes bankrupt or makes a voluntary arrangement with anyone that they owe money to;
 - 7.1.12. a distress, attachment, execution, expropriation, sequestration or another analogous legal process is levied, enforced or sued out on, or against, the Business' (or a guarantor's as appropriate) undertaking, property or assets;

- 7.2. Before making any demand the Investor (or Beehive on its behalf) will take all the steps an Investor is required to take by law for the Business' protection. At any time, an Investor may decide to enforce its rights under these Murabaha Conditions and any Murabaha Contract directly against a Business and the Business hereby consents to us providing any of its Investors with its relevant contact details for this purpose.

- 8.1. If the Business accepts a Murabaha Financing, Beehive shall charge fees as per the prevailing fee tariff published on the Site.
